#### IMPORTANT INFORMATION FOR PASSENGERS

##### Arrival

When the plane lands, you are requested to keep your seat belt fastened until the light goes off and remain in your seat until the plane stops moving. This is for your own comfort and safety.

##### Leaving the airport

If you are ending your journey at this airport, you should go up the escalator to passport control and customs. If you are travelling further by rail or coach, you will find an information desk outside the customs hall, as well as a bank where you can change money.

##### Catching another flight

If you are planning to change planes, you should follow the signs to the waiting lounge, where you should check in and wait to board your connecting flight. There will be an announcement when your flight is due to take off. Our ground staff will be happy to help you.

##### Leaving the plane

All passengers leaving the plane should make sure that they take everything with them. If you have checked in any luggage, you should remember to collect it from the baggage area inside the airport.
